NOTICE OF MODIFICATION TO HAZARDOUS WASTE PERMIT

**GE (GREENVILLE) GAS TURBINE
300 GARLINGTON ROAD
GREENVILLE, GREENVILLE COUNTY, SOUTH CAROLINA
FACILITY ID SCD 049 126 097**

DHEC is proposing to modify the GE (Greenville) Gas Turbine Hazardous Waste Permit. The purpose of the proposed modification is to formally approve environmental remedies for fourteen (14) solid waste management units (SWMUs) and three (3) areas of concern (AOCs) at the site. The environmental remedies include:

- Groundwater Extraction
- Land Use Controls
- Light Non-Aqueous Phase Liquid Recovery
- Monitored Natural Attenuation
- Soil Vapor Extraction

Each SWMU/AOC will be addressed utilizing a combination of remedies from the list above. A detailed list of areas and associated remedies can be found in the Statement of Basis available for review at the DHEC offices listed below or on DHEC's website during the comment period at http://www.scdhec.gov/environment/lwm/public_notice.asp.

The proposed permit modification complies with the South Carolina Hazardous Waste Management Regulations.

The proposed permit modification is open for public comment from October 14, 2011 to December 2, 2011. DHEC encourages all interested persons to review and comment on the proposed modification.

Written comments or a request for a formal public hearing must be submitted no later than December 2, 2011 and should be addressed to Mr. Richard Haynes at the above DHEC address or by e-mail at: haynesra@dhec.sc.gov. All written comments received December 2, 2011 will be considered before DHEC makes a final decision on the proposed modification. If a public hearing is requested and scheduled, notice will be given at least thirty days in advance.

Requests to be placed on the GE mailing list for notification of future public notices by DHEC's Division of Waste Management should be made in writing to the attention of Norma West at the above DHEC address or by e-mail at: westnj@dhec.sc.gov.

GE (Greenville) Gas Turbine's current Hazardous Waste Permit, and other related information are available for review through December 2, 2011, on DHEC's website at: http://www.scdhec.gov/environment/lwm/public_notice.asp and at the following locations:
